Message from MS KRUGER

Today is the last day for our Year 11 students before they start their GCSE exams – the first ones are on Monday!

We wish you all the best with your exams! Look after yourselves, drink a lot of water and sleep enough – it is better for you brain to have slept well than for you to try to cram information into it all night and then your brain is too tired to remember anything the next day.

Good luck and we will see you on Results Day!

SAFEGUARDING AT ELS

EWS taking action to protect all members of our school community from harm
Due to feedback from parents and guidance in KCSE (link to the document is below) we will once more be informing parents of all our safeguarding procedures at EWS.

This week’s spotlight: Children and Families Directory

Ealing have put together a directory for families to signpost the support that is available within the borough. For further information on how to best support your child and family use the link below:
