Meeting from MS KRUGER

I saw this beautiful Māori writing and thought how perfectly it suits our school:

Wāhine Toa
Kia mōhio tātou
Kia whakatinanahia tātou

Strong Women
May we know them
May we grow them
May we be them

Kia whakatinanahia tātou
Kia whakatupu tātou
Kia mōhio tātou
Wāhine Toa

Upcoming dates
Week 3rd - 7th June

The Week Ahead

Soup of the day | Fish and Chips |
Soup of the day | Chicken & Rice | Cheese & Vegetables | Sausage & Mash | Pasta of the day | Prawn Pizza
Soup of the day | Vegetable Samosa | Pasta of the Day | Frozen Yoghurt

Headteacher’s Tea Party
The Headteacher’s Tea Party took place on Tuesday 21st May. A group of students from Year 7 – 10 were invited to join Ms Kruger and staff in the foyer for sandwiches; scones with jam and cream; pastries; fruit kebabs along with tea, coffee and soft drinks. This was a real treat for students who have gone above and beyond in their contribution to school life this year and a reward for students who have overcome difficult challenges. The event was even more special as Ms kruger and Ms Stewart presented the EWS award to Lucy Henfield. Lucy was delighted to accept this award and thanked the staff for all their support. Students and staff played games, chatted, laughed and enjoyed the spring weather.

Safeguarding at Ellen Wilkinson School
EWS taking action to protect all members of our school community from harm
Due to feedback from parents and guidance in KCSIE (link to the document is below) we will once more be informing parents of all our safeguarding procedures at EWS.

This week’s spotlight: Information and advice on keeping children safe online
Go to www.thinkuknow.co.uk and visit the parent/carer section for how to keep your child safe online. It addresses a number of topics that may affect young people and gives advice about what to do if you have a concern about your child and how to report a concern to CEOP.

Remind your child to visit safe space at break and lunch if they wish to talk about anything.

May half term is fast approaching and is a good time to go and enjoy gardens and all it has to offer. This week we could plan to do something fun with your friends and family. Maybe even watch or re-watch Beauty and the Beast ready to sing along in the summer shows. "It’s a grand old world with so many ways to enjoy our world and our life." - Ben
